“STUDENTS’ TESTIMONIALS”

PR Visa Success, Australia

I would like to thank MWT educational consultancy for their professional ,courteous and timely support that was extended to me and my family in obtaining our visa to Australia , we give special thanks and credit to the team of Ms Reji Ramesh and Ms Soniya Vivek for their excellent guidance received during the documentation stage and for promptly addressing our queries at every step of the visa process. We happily recommend their services to all those seeking to apply for a visa or adaptation process. Wishing you success in all your future endeavors and thanks once again

- Anu Jose

EPIQ-RN, IHM Australia

I would like to extend my sincere thanks to MWT team with regards to my Australian Visa processing. I am much grateful to Stephy Sharon for her brilliant and careful handling of Visa documentation. I received visitor Visa of subclass 600 within a week. I strongly recommend this institute to all the aspirants who are looking Australia for their greener pastures.

- Saritha Selvakumar

PR Visa Success, Australia

This is just to appreciate your team for the good work you all doing. I have to appreciate particularly Stephy, John and Nimmi with regards to Shini’s visa process, getting the decision letter and extension. There was no delay in any stages from MWT’s side. I saw these people went extra miles by understanding the needs of the clients. We are looking for the continued support/assistance from your side for the next two stages. PR application and job security is our next stage after registration

- Shini

EPIQ-RN, IHM Australia

I had a great experience dealing with MWT consultancy. The staff served an excellent service and shows us a right path to reach our goals. I got every reply on time of my questions and was cleared with all my doubts. I am very much thankful to the whole team of MWT, who helped me to get admission in my dreamed course. I am really satisfied with the results of my process. Thank you.

- Ravneet Kaur

MESSAGE FROM CEO

In today's global economy, being armed with an overseas qualification is sure to guarantee a bright future. Studying abroad can provide an all-round edge to students who wish to work and live overseas. Not only do they have a diverse set of study programs to choose from, but they can also get specialized skills that will hold them in good stead in leading corporates across the world.

At MWT Education Consultancy, we believe in the power of education to open doors and enhance lives. We have written the success stories of many of our students, matching them to the study programs of their choice in prestigious universities abroad. We support every student's endeavour and try to make a genuine difference in their careers, helping them to hold their own in a challenging global market.

What makes MWT stand apart is the personalised support and guidance that is given to each of our students. Our teams work in close alignment with our core values of Innovation, Caring, Excellence, Honesty, Openness and Trust – ICEHOT. Our success is measured in the career growth of the thousands of students and professionals who have achieved their dreams with our support.

MWT's primary focus is on Direct Registration programs for overseas qualified nurses who are looking to make their career abroad. Through one-on-one support, we offer exam preparation support for quali-

fying exams, registration application guidance, English language preparation training, financial guidance and career advice for hundreds of deserving professionals; helping them to get rewarding careers in countries like Australia, New Zealand, UK, Ireland mainly.

By following ethical processes in international student admissions to the best universities abroad, we are steadfast in our mission to hand-hold students to get admission in higher study programs in leading institutes abroad not just in the healthcare stream but in domains such as Engineering, Management Pure sciences, and Arts to name a few.

Our migration and visa services are second to none. Our team of experienced consultants have the knowhow and the expertise to handle migration and visa applications for different categories such as student/work/PR and more. Our visa success rates are among the highest in the country.

And we don't just stop there! Through our widespread partner network of institutes, healthcare facilities and agencies across the world, we have succeeded in providing global job placements assistance for many healthcare professionals, helping them to reach the highest echelons of success in their career path.

We're very thankful for your continuing support and the trust you have placed in us. Together, we can build a better future!

Health Careers International Australia

Our vision is to become a flagship provider of healthcare education and to be the first private healthcare university in Australia by 2025

Strategically headquartered at one of the world's favourite destination, Australia, **Health Careers International (HCI)** is an elite group of companies that specialize in education as well as the systems to develop the careers of healthcare professionals around the world. HCI commenced operation in India in 2002 and expanded to Australia in 2007. and today, with a turn over of around 100 crores globally, employs 500 staff across the globe and has trained over 18,000 students from all corners of the world. HCI offers Vocational and Post Graduate education, training and continuing professional development programs through campuses in Melbourne, Sydney, Perth, Cochin (India) as

well as international partnerships in India, Philippines, Malaysia and GCC. HCI's Online and flexible learning, supported by simulation training in a nursing laboratory and professional work placements at healthcare facilities allow students to balance their study and work commitments. By leveraging the latest technologies and collaborative tools in the design and delivery of its training programs, Health Careers creates new opportunities for students around the world to develop and enhance their skills, as well as for Governments and healthcare organisations to effectively develop the future health workforce.

MWT Global India is a core subsidiary of MWT Global Australia, and was established in 2002. It **comprises of three divisions: MWT Education Consultancy, MWT Technologies, MWT Global Academy.** The MWT Group, has its humble beginnings from Chennai. Today, with operations that span geographies, the group is a leading player in healthcare education, overseas consultancy for student recruitment, software development and technologies. The MWT Global Group of companies has been recognized for excellence in all-round quality management and has been awarded the prestigious ISO 9001:2015

MWT Education Consultancy

Since 2002, **MWT Education Consultancy** has been empowering thousands of young people to fulfil their dreams of an international education and career. As a leading international educational consultancy in India, we provide world-class consultation and education services in domains including healthcare, nursing, IT, engineering, management, pure sciences, among a host of other leading globally recognised programs.

Our one-stop career centre focuses on overseas education, student recruitment, career guidance, placement and migration / settlement services. Our top-notch training and personal development courses help to empower the overall personality and self-confidence of students and career aspirants. We also provide counselling and superior coaching for students aiming for excellence in International standardized tests. MWT Education Consultancy has partnerships with leading universities and colleges in Australia, New Zealand, UK, Ireland, Canada, Singapore and UAE. Our team of seasoned professionals offer guidance at every stage, beginning with IELTS and similar training required for the admission process, career counselling and allied course support. A vast network of affiliates worldwide helps overseas aspirants maximize their professional growth and career prospects.

MWT Education Consultancy, in conjunction with **Health Careers International, Australia** represents universities as well as colleges, globally for health science program enrolments. We also offer job placements for healthcare workers nationally and globally. Our core vision is to impart the highest quality service to our candi-

dates, thus fulfilling their dreams and aspirations of attaining higher education overseas. We provide our candidates with a comprehensive and personalized career and education counselling that focus on their skills, talents and individual aspirations.

Our inimitable range of services include assistance and guidance with visa applications, accommodation and travel arrangements, Pre-departure briefings and post landing assistance. Our highly experienced professionals with their combined experience and expertise guide students in every step of the way in their chosen path.

MWT Job Placements Division RA 5317430

This division exclusively focuses on placement of healthcare professionals and hospital staffing requisites

Established in 2018, MWT Job Placements is a venture from the Health Careers Group that seeks to connect job seekers and prospective employers in the healthcare industry. Through close partnerships with reputed Nursing and Healthcare institutions in the Middle East, UK,

Ireland, New Zealand, and more, we have established a strong global network for talent acquisition and job placements.

This venture is licensed by the Ministry of External Affairs and has obtained requisite Government approvals for manpower recruitment (RA No. 5317430).

Our services include the following:

- Destination-specific job search
- Pre interview coaching
- Arranging client interviews
- CV preparation
- Assisting in VISA documentation
- Guidance for various exams (IELTS, OET, CBT, Prometric, HAAD, MOH, ACLS, BLS, among others)
- Pre-departure Training
- Arranging pastoral care and pick up at destinations

We recruit candidates from countries like India, Philippines, Nepal, Gulf countries and Sri Lanka, and the list is growing!

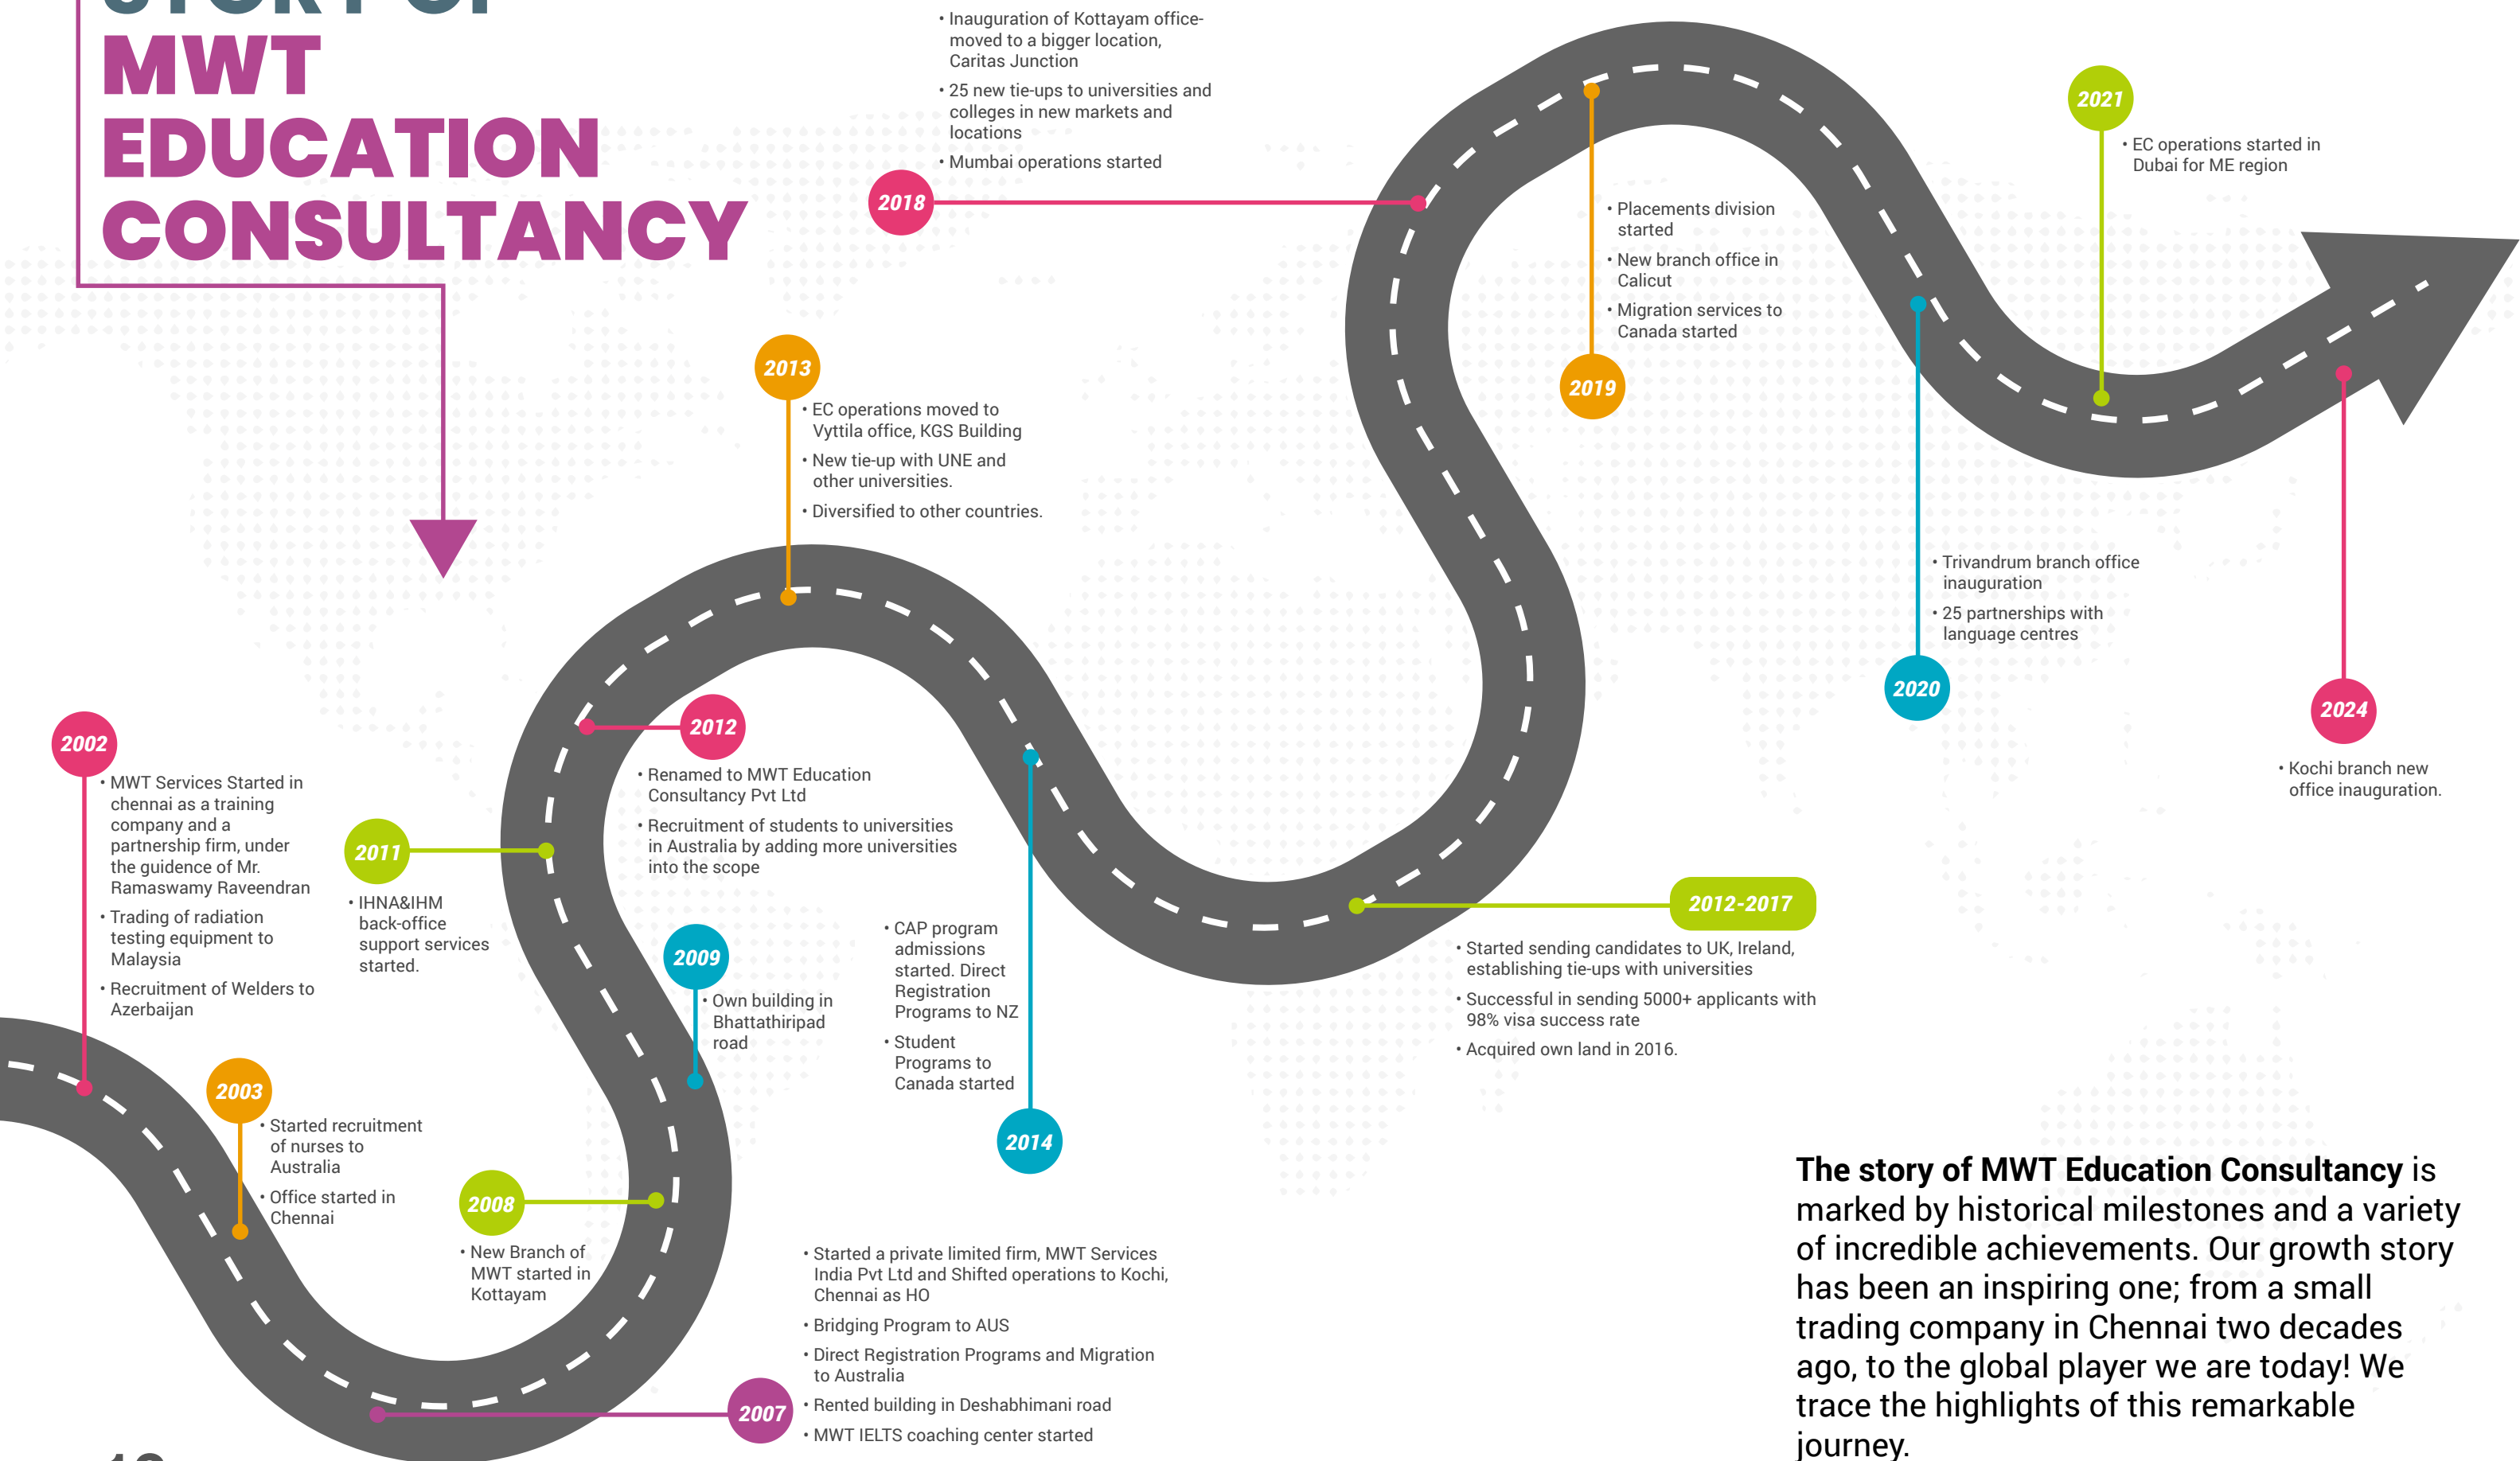

UK: The Land of Opportunity

The fifth largest economy in the world, UK is a promising destination for overseas career aspirants. Skilled immigrants are highly sought after, and the points-based visa system paves the path to overseas aspirants who seek to live and work here.

MWT Job Placements has strong connections with Hospitals, Clinics, Care Homes and Aged care centres across UK. At present, we offer rewarding career placements for the following roles:

- Care workers (Auxiliary Nurses)
- Nurses
- Doctors

THE STORY OF MWT EDUCATION CONSULTANCY

The story of MWT Education Consultancy is marked by historical milestones and a variety of incredible achievements. Our growth story has been an inspiring one; from a small trading company in Chennai two decades ago, to the global player we are today! We trace the highlights of this remarkable journey.

The Middle East: Promising a Glittering Future

The Middle East is said to be the home of hospitality, and is the go-to country for those who wish to transform their future. The flourishing economies of these countries attract professionals from all over the world, who can capitalize on the growing demand for skilled workers across all sectors.

MWT Job Placements has strong connections with Hospitals, Clinics, Care Homes and Aged care centres across the Middle East, in countries that include Oman, Bahrain, UAE, Saudi, Qatar & Kuwait.

At present, we offer rewarding career placements for the following roles:

- Industrial Nurses

- CHC53315 – Diploma of Mental Health
- Short-term upskilling courses

Institute of Health & Management

Founded in February 2012, the Institute of Health & Management (IHM) was established to fill a niche in the Australian higher education sector in the healthcare industry. IHM is recognized as an institute of higher education by the Australian Government's Tertiary Education Quality and Standards Agency, and offers postgraduate nursing study programs of exceptional quality. IHM's modern classrooms, well equipped labs and research centres and libraries promote cutting-edge research and world-class pedagogies.

Course list

Certification and Diploma/other Study Programs offered at IHM include:

- MON - Master of Nursing
- BSW - Bachelor of Social Work
- GCAN - Graduate Certificate in Advanced Nursing (12 Specialisations)
- GCAN - ANP - Australian Nursing Practice
- EAP - English for Academic Purposes
- English Test Preparation Courses
- NCLEX for RNs - National Council Licensure Examination for Registered Nurses
- OSCE for RNs - Objective Structured Clinical Exam for Registered Nurses
- MCAP for AMC - Medical Career Advancement Program for Australian Medical Council
- General English

Australia

Australia is a choice destination for healthcare professionals, and with the growing demand for overseas qualified nurses there are plenty of career opportunities in this lovely country.

Direct Registrations for Overseas Qualified Nurses

Nurses who wish to practice in Australia must apply with the AHPRA for registration with the Nursing and Midwifery Board of Australia (NMBA). We offer guidance and support in completing the OBA Process, documentation and processing guidance for obtaining NMBA registration and getting Visa success.

Student Programs for Nurses, offered through our Partner institutions, include:

- B.Sc. Nursing
- M.Sc. Nursing
- Graduate Diploma in Nursing

In Australia, we also offer Student Programs through partner institutions in streams such as:

- | | |
|--|---|
| • Health / Nursing / Pharmacy | • Design / Media |
| • Science | • Education / Teaching |
| • Engineering | • Communication / Languages / Linguistics |
| • Technology | • Social Work / Youth Work |

| • Marketing/Advertising / Public Relations | • Sports / Exercise |
| • Architecture / Construction / Surveying | • Archaeology |
| • Arts | • Urban / Regional planning / Development |
| | • Fashion / Beauty |

Partnerships:

New Zealand

New Zealand has an excellent healthcare system, and due to the need for skilled healthcare professionals in the country, overseas qualified nurses are much in demand.

Direct Registrations for Overseas Qualified Nurses

To work in New Zealand, overseas nurses should be qualified enough to meet the required standards of competency and get registered with the Nursing Council of New Zealand (NCNZ).

Nurses will be required to undergo a competence assessment.

1. The IQN theoretical examination 2. The clinical competence assessment process

Student Programs for Nurses, offered through our Partner institutions, include:

- B.Sc. Nursing
- Graduate Diploma in Nursing

In New Zealand, we offer Student Programs through partner institutions in streams that include:

- Health / Nursing / Pharmacy
- Science
- Engineering
- Technology
- Architecture / Construction / Surveying

Partnerships:  **UCOL**
Te Pae Mātauranga ki te Ao
Universal College of Learning

USA

We provide guidance and assistance for getting registration in the Nursing Board of USA . USA is one of the country with no age limit for working and getting permanent residency.

Direct Registrations for Overseas Qualified Nurses

We will assist with the documentation to apply for registration with USA Nursing Board including assistance with CGFNS- Credential Evaluation Service Registration and application lodging. We arrange employer interview once you have cleared NCLEX-RN exam and a successful credential evaluation from CGFNS. Currently we process documentation of Minnesota only. We also offer Visa support, including updation of I140.

UK

The healthcare environment in the UK is among the best in the world, and career opportunities are plentiful for overseas qualified nurses. There is a growing deficit in the supply of expert nurses, which has steeply driven the demand in this sector.

Direct Registrations for Overseas Qualified Nurses

Overseas nurses who are trained outside the UK must be successful in the mandatory two-part competency test for Nurses and Midwives seeking professional registration. This assessment includes the CBT (Computer-Based Test) and the Objective Structured Clinical Examination (OSCE). We offer guidance and support in successfully completing the CBT and OSCE, documentation and processing guidance for obtaining NMC Decision Letter, employment assistance and getting Visa success.

Student Programs for Nurses, offered through our Partner institutions, include:

- B.Sc. (Hons) Adult Nursing
- M.Sc. Nursing

In the UK, we offer Student Programs through partner institutions in streams that include:

- Health / Nursing / Pharmacy
- Science
- Engineering
- Technology
- Architecture / Construction / Surveying

Partnerships:

Ireland

Ireland offers a world of career opportunities for healthcare professionals who have trained abroad. The increasing demand for expert nurses has resulted in a spurt in opportunities for overseas nurses, and there's no better time than now to capitalize on this demand.

Direct Registrations for Overseas Qualified Nurses

Overseas nurses who are trained outside Ireland must seek professional registration with the Nursing and Midwifery Board of Ireland and join the Register of Nurses and Midwives. We offer guidance and support in successfully completing the Adaptation program, documentation and processing guidance for obtaining NMBI Decision Letter and getting Visa success.

Canada

With Canada now offering over 80 economic class immigration programs and world-class education opportunities, it is no surprise that this country is by far the number one career destination for overseas professionals. Healthcare is one of the most in-demand sectors, with many rewarding opportunities for nurses who have obtained their qualifying degrees abroad.

Student Programs for Nurses, offered through our Partner institutions, include:

- College Diploma- Practical Nursing (PPNSG)
- Post Graduate Diploma in Canadian Nursing with Paid Co-op
